

Vote Count

On each matter to be voted upon, stockholders have one vote for each share of NVIDIA common stock owned as of April 24, 2023. Votes will be counted by the inspector of election as follows:

Proposal Number	Proposal Description	Vote Required for Approval	Effect of Abstentions	Effect of Broker Non-Votes
1	Election of thirteen directors	Directors are elected if they receive more FOR votes than AGAINST votes	None	None
2	Advisory approval of our executive compensation	FOR votes from the holders of a majority of shares present, in person or represented by proxy, and entitled to vote on this matter	Against	None
3	Advisory approval of the frequency of holding a vote on our executive compensation	The frequency receiving votes from the holders of a majority of shares present, in person or represented by proxy, and entitled to vote on this matter ⁽¹⁾	Against	None
4	Ratification of the selection of PwC as our independent registered public accounting firm for Fiscal 2024	FOR votes from the holders of a majority of shares present, in person or represented by proxy, and entitled to vote on this matter	Against	N/A ⁽²⁾

⁽¹⁾ If none of the four choices for this proposal receive an affirmative vote from holders of a majority of the shares present, in person or represented by proxy, and entitled to vote on this matter, the Board will consider the choice that receives the highest number of votes as the choice supported by our stockholders.

⁽²⁾ Because this is a routine proposal, there are no broker non-votes.

If you are a stockholder of record and you return a signed proxy card without marking any selections, your shares will be voted **FOR** each of the nominees listed in Proposal 1, for **1 YEAR** for Proposal 3, and **FOR** the other proposals. If any other matter is properly presented at the 2023 Meeting, Jen-Hsun Huang or Timothy S. Teter as your proxyholder will vote your shares using his best judgment.

Vote Results

Preliminary voting results will be announced at the 2023 Meeting. Final voting results will be published in a current report on Form 8-K, which will be filed with the SEC by June 28, 2023.

Proxy Materials

As permitted by SEC rules, we are making our proxy materials available to stockholders online at www.nvidia.com/proxy. On or about May 8, 2023, we sent stockholders who owned our common stock at the close of business on April 24, 2023 (other than those who previously requested electronic or paper delivery) a Notice containing instructions on how to access our proxy materials, vote online or by telephone, and elect to receive future proxy materials electronically or in printed form by mail.

If you choose to receive future proxy materials electronically (via www.proxyvote.com for stockholders of record and www.icsdelivery.com/nvda for street name holders), you will receive an email next year with links to the proxy materials and proxy voting site.

SEC rules also permit companies and intermediaries, such as brokers, to satisfy Notice and proxy material delivery requirements for multiple stockholders with the same address by delivering a single Notice or set of proxy materials addressed to those stockholders. We follow this practice, known as “householding,” unless we have received contrary instructions from any stockholder at that address.

If you received more than one Notice or full set of proxy materials, then your shares are either registered in more than one name or are held in different accounts. Please vote the shares covered by each Notice or proxy card. To modify your instructions so that you receive one Notice or proxy card for each account or name, please contact your broker. Your “householding” election will continue until you are notified otherwise or until you revoke your consent.

To make a change regarding the form in which you receive proxy materials (electronically or in print), or to request receipt of a separate set of documents to a household, contact our Investor Relations Department (through our website at www.nvidia.com, by email to shareholdermeeting@nvidia.com, by phone at (408) 486-2000 or by mail at 2788 San Tomas Expressway, Santa Clara, California 95051).

We will pay the entire cost of soliciting proxies. Our directors and employees may also solicit proxies in person, by telephone, by mail, via the Internet or by other means of communication. Our directors and employees will not be paid any additional compensation for soliciting proxies. We have also retained MacKenzie Partners on an advisory basis for an approximate fee of \$15,000 and they may help us solicit proxies from brokers, bank nominees and other institutional

owners. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

We recognize the importance of the ability of our stockholders to nominate directors to our Board. Accordingly, our Board will take into account feedback we receive from our stockholder engagement process regarding the process and disclosure requirements of our Bylaws for nominating directors and other proposals. Our Board will engage with stockholders of various holdings size regarding any proposed amendments to our Bylaws that would require a nominating stockholder to disclose to us (i) such stockholder's plans to nominate candidates to the board of directors of other public companies, or disclose prior director nominations or proposals that such stockholder privately submitted to other public companies or (ii) information about such stockholder's limited partners or business associates beyond the existing requirements of our Bylaws.

The NCGC may conduct appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates and may engage a professional search firm to identify and assist the committee in identifying, evaluating, and conducting due diligence on potential director nominees. The NCGC has not established specific age, gender, education, experience, or skill requirements for potential members, and instead considers numerous factors regarding the nominee taking into account our current and future business models, including the following:

The NCGC and the Board understand the importance of Board refreshment, and strive to maintain an appropriate balance of tenure, diversity, professional experience and backgrounds, skills, and education on the Board. While the Board benefits from the experience and institutional knowledge that our longer-serving directors bring, it has also brought in new perspectives and ideas through the appointment of two new directors since 2020. The Board also regularly rotates membership on and who is appointed as chairperson of its committees to help promote a diversity of viewpoints on the Board committees. Our longer-tenured directors are familiar with our operations and business areas and have the perspective of overseeing our activities from a variety of economic and competitive environments. Our newer directors have brought expertise in brand development and cybersecurity and familiarity with technology developments at leading academic institutions that are important to supporting NVIDIA as it enters new markets. Each year, the NCGC and Board review each director's individual performance, including the director's past contributions, outside experiences and activities, and committee participation, and determine how his or her experience and skills continue to add value to NVIDIA and the Board.

The Board and the NCGC have identified and continue to seek highly qualified women and individuals from underrepresented groups to include in the initial pool of potential director nominees. The Board's commitment to achieving a diverse and inclusive membership is demonstrated by our director nominees. Three of our directors are women and three are ethnically and/or racially diverse. Our two newest members enhance the Board's gender, ethnic and/or racial diversity. We expect Board diversity to increase before our 2024 Meeting.
