Recent Refreshment, Board Demographics and Nominee Qualifications

Our director nominees exhibit a variety of competencies, professional experience, and backgrounds, and contribute diverse viewpoints and perspectives to our Board. While the Board benefits from the experience and institutional knowledge that our longer-serving directors bring, it has also brought in new perspectives and ideas by appointing two new directors in the past year: John O. Dabiri, a professor of aeronautics and mechanical engineering at the California Institute of Technology, and Aarti Shah, an IT, digital health, cybersecurity, and advanced analytics & data sciences executive at Eli Lilly and Company. Additionally, James C. Gaither retired from the Board as of the 2020 Meeting.

Corporate Governance Highlights

Our Board is committed to strong corporate governance to promote the long-term interests of NVIDIA and our stockholders. We seek a collaborative approach to stockholder issues that affect our business and to ensure that our stockholders see our governance and executive pay practices as well-structured. In the Fall of 2020, we contacted our top institutional holders who held 1% or more of our stock (with the exception of brokerage firms and index funds who we know do not engage in direct conversations), representing an aggregate ownership of 33%, to gain insights into their views on corporate governance; ESG issues; and our response to the COVID-19 pandemic. Members of our management and Board, including our Lead Director, met with stockholders holding, in total, 32% of our common stock outstanding.

Highlights of our corporate governance practices include:

- ✓ All Board members independent, except for our CEO
- ✓ Independent Lead Director
- ✓ Proxy access
- ✓ Declassified Board
- ✓ Majority voting for directors
- ✓ Active Board oversight of risk and risk management, including for the Company's COVID-19 response
- ✓ 75% or greater attendance by each Board member at meetings of the Board and applicable committees
- ✓ Independent directors frequently meet in executive sessions
- ✓ At least annual Board and committee self-assessments
- ✓ Annual stockholder outreach, including regular Lead Director participation
- ✓ Stock ownership guidelines for our directors and executive officers

Advisory Approval of Executive Compensation for Fiscal 2021 (Proposal 2)

We are asking our stockholders to cast a non-binding vote, also known as “say-on-pay,” to approve our NEOs’ compensation. The Board believes that our compensation policies and practices are effective in achieving our goals of paying for performance; providing competitive pay so that we may attract and retain a high-caliber executive team; aligning our executives’ interests with those of our stockholders to create long-term value; and achieving simplicity and transparency with our compensation program. The Board and our stockholders have approved holding our “say-on-pay” votes annually.

Executive Compensation Highlights

Our executive compensation program is designed to pay for performance. We utilize compensation elements that align our NEOs’ interests with those of our stockholders to create long-term value. Our NEO pay is heavily weighted toward performance-based, “at-risk” variable cash and long-term equity awards that are only earned if the Company achieves pre-established corporate financial metrics, but capped at a maximum of 200% of target (or 150% of target for our CEO’s PSUs). For the last several years, over 90% of our CEO’s, and over 50% of our other NEOs’, target pay has been performance-based and at-risk, and 100% of our CEO’s equity awards have been in the form of PSUs only.

At our 2020 Meeting, over 95% of the votes cast approved the compensation paid to our NEOs for Fiscal 2020. After considering this advisory vote and the feedback from our annual stockholder outreach, our CC concluded that our program effectively aligned executive pay with stockholder interests. Therefore, the CC maintained the same general executive compensation structure for Fiscal 2021, but increased the rigor of the performance goals for revenue and Non-GAAP Operating Income by setting the Threshold goals above Fiscal 2020 actual achievement, and increased the proportion of target pay that is “at-risk” to strengthen the link between corporate performance and executive pay.

Financial Performance and Link to Executive Pay

Despite the challenges of the COVID-19 pandemic, in Fiscal 2021, we achieved record revenue for our Gaming and Data Center market platforms and for the overall Company, enhanced our networking technologies by completing the acquisition of Mellanox Technologies, Ltd., launched the NVIDIA Ampere GPU architecture for our Gaming and Data Center platforms, and announced a partnership with Mercedes-Benz to introduce software-defined, intelligent vehicles using end-to-end NVIDIA technology.

As described further in our CD&A, a significant portion of our executive pay opportunities are tied to the achievement of financial measures that drive business value and contribute to our long-term success. While COVID-19 affected our business in both positive and negative ways, the CC determined not to make any changes to our Fiscal 2021 executive compensation performance goals or in certification of actual Fiscal 2021 results as a result of COVID-19. In accordance with the performance goals and methodology established by the CC in early Fiscal 2021, the CC excluded the additional revenue and the estimated unaudited operating income and costs generated by acquisitions completed during Fiscal 2021 in its certification of Fiscal 2021 results. The CC determined the foregoing approach best aligned our executives’ interests with those of our stockholders and remained consistent with our pay for performance philosophy. The table below shows our goals for the applicable period ended Fiscal 2021 and their respective impact on our executive pay.

	Revenue		Non-GAAP Operating Income		3-Year TSR	
	Fiscal 2021 Performance Goal	Payout as a % of Target Opportunity	Fiscal 2021 Performance Goal	Shares Eligible to Vest as a % of Target Opportunity	Fiscal 2019 - Fiscal 2021 Performance Goal	Shares Eligible to Vest as a % of Target Opportunity
Threshold	\$12.0 billion	50%	\$4.0 billion	50%	25th percentile	25%
Base Operating Plan (Target for MY PSUs)	\$12.7 billion	100%	\$4.4 billion	100%	50th percentile	100%
Stretch Operating Plan (Stretch for MY PSUs)	\$13.3 billion	200%	\$4.8 billion	150% for CEO; 200% for other NEOs	75th percentile	150% for CEO; 200% for other NEOs
Performance	Revenue, as adjusted, of \$15.0 billion*		Non-GAAP Operating Income, as adjusted, of \$6.1 billion*		3-year TSR of 157%, 97th percentile of S&P 500	
Payout	200% of target under Variable Cash Plan		150% of CEO’s (200% of other NEOs’) target SY PSUs eligible to vest		150% of CEO’s (200% of other NEOs’) target MY PSUs eligible to vest	

* See *Goals for and Achievement of Performance-Based Compensation* in our CD&A for a description and further discussion of revenue, as adjusted, and Non-GAAP Operating Income, as adjusted.

Ratification of Selection of PwC as our Independent Registered Public Accounting Firm for Fiscal 2022 (Proposal 3)

Although not required, we are asking our stockholders to ratify the AC's selection of PwC as our independent registered public accounting firm for Fiscal 2022 because we believe it is a matter of good corporate practice. If our stockholders do not ratify the selection, the AC will reconsider the appointment, but may nevertheless retain PwC. Even if the selection is ratified, the AC may select a different independent registered public accounting firm at any time if it determines that such a change would be in the best interests of NVIDIA and our stockholders.

Approval of an Amendment to our Charter to Increase the Number of Authorized Shares of Common Stock from 2 Billion Shares to 4 Billion Shares (Proposal 4)

We are asking our stockholders to approve an amendment to our Charter to increase the number of authorized shares of common stock from two billion shares to four billion shares. The Charter amendment will provide adequate shares of common stock to be used by the Board for general corporate purposes, including, but not limited to, expanding our business through mergers and acquisitions, including shares we would be obligated to issue in connection with the pending acquisition of Arm Limited; stock dividends and/or stock splits; providing equity incentives to employees, officers or directors; and the raising of additional capital.

Environmental, Social and Corporate Governance Initiatives

NVIDIA invents the computing technologies that enable scientists, engineers, designers, researchers, and developers to improve lives everywhere and address global challenges. We integrate sound ESG principles and practices into every aspect of the Company, including the following initiatives:

- **Human capital management:** To be competitive and execute our business strategy successfully, we must recruit, develop, and retain talented employees, including qualified executives, scientists, engineers, technical staff, and research and development personnel.
- **Diversity and inclusion:** We believe that diverse teams fuel innovation, and we are committed to a more inclusive culture that supports all employees, regardless of gender, gender identity or expression, veteran status, race, ethnicity, or disability. We have increased our efforts to recruit, develop, and retain a more diverse workforce with a focus on those historically underrepresented in the technology field, including women, Black, and Hispanic candidates.
- **Climate change and the environment:** We integrate energy efficiency principles into our products and drive operational excellence to reduce our environmental impact. We have a goal to source 65 percent of our global electricity use from renewable energy by the end of Fiscal 2025.
- **Public policy engagement and accountability:** We engage in public policy advocacy to affect government action on issues of importance to our business, customers, stockholders, and employees, and to provide thought leadership to global governments on issues that directly affect our business. We also belong to a number of trade associations worldwide, representing the interests of the technology industry, industries in which we operate and the broader business community. We make no contributions of any kind to political parties or candidates, including any direct contributions to any intermediary organizations, such as political action committees (PACs) or lobbyists, campaign funds, or trade or industry associations and super PACs.

PROXY STATEMENT FOR THE 2021 ANNUAL MEETING OF STOCKHOLDERS - JUNE 3, 2021

INFORMATION ABOUT THE MEETING

Your proxy is being solicited for use at the 2021 Meeting on behalf of the Board. Our 2021 Meeting will take place virtually on Thursday, June 3, 2021 at 11:00 a.m. Pacific Daylight Time.

Virtual Meeting Philosophy and Benefits

The Board believes that holding the meeting in a virtual format invites stockholder participation, while reducing the costs to stockholders and the Company associated with an in-person meeting. This balance allows the meeting to remain focused on matters directly relevant to the interests of stockholders in an efficient way. We have designed the virtual format to protect stockholder rights, including by offering multiple opportunities to ask questions, publishing answers to questions received before or during the meeting on our Investor Relations website, and providing an archived copy of the webcast after the meeting.

Meeting Attendance

If you were an NVIDIA stockholder as of the close of business on the April 5, 2021 record date, or if you hold a valid proxy, you can attend, ask questions during, and vote at our 2021 Meeting at www.virtualshareholdermeeting.com/NVIDIA2021. Our meeting will be held virtually; use the Control Number included on your Notice or printed proxy card to enter. Anyone can also listen to the meeting live at www.virtualshareholdermeeting.com/NVIDIA2021.

If you encounter any difficulties accessing the virtual meeting during the check-in or the course of the annual meeting, please call the technical support number available on www.virtualshareholdermeeting.com/NVIDIA2021.

An archived copy of the webcast will be available at www.nvidia.com/proxy through June 17, 2021. Even if you plan to attend the 2021 Meeting virtually, we recommend that you also vote by proxy as described below so that your vote will be counted if you later decide not to attend.

Asking Questions

We encourage stockholders to submit questions through our pre-meeting forum located at www.proxyvote.com (using the Control Number included on your Notice or printed proxy card) as well as during the meeting at www.virtualshareholdermeeting.com/NVIDIA2021. During the meeting, we will answer as many stockholder-submitted questions related to the business of the meeting as time permits. As soon as practicable following the meeting, we will publish and answer questions received, if pertinent to Company business, on our Investor Relations website. We intend to group questions and answers by topic and substantially similar questions will be answered only once. To promote fairness to all stockholders and efficient use of the Company's resources, we will respond to one question per stockholder.

Quorum and Voting

To hold our 2021 Meeting, we need a majority of the outstanding shares entitled to vote at the close of business on the April 5, 2021 record date, or a quorum, represented at the 2021 Meeting either by attendance virtually or by proxy. On April 5, 2021, there were 622,383,615 shares of common stock outstanding and entitled to vote, meaning that 311,191,808 shares must be represented at the 2021 Meeting or by proxy to have a quorum. A list of stockholders entitled to vote at the close of business on the April 5, 2021 record date will be available during the entire time of the annual meeting at www.virtualshareholdermeeting.com/NVIDIA2021 and electronically for 10 days prior to the annual meeting to registered stockholders for any legally valid purpose related to the annual meeting. For access to the stockholder list, please contact us at shareholdermeeting@nvidia.com.

Your shares will be counted towards the quorum only if you submit a valid proxy or vote at the 2021 Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is not a quorum, a majority of the votes present may adjourn the meeting to another date.

You may vote **FOR** any nominee to the Board, you may **WITHHOLD** your vote for any nominee or you may **ABSTAIN** from voting. For each other matter to be voted on, you may vote **FOR** or **AGAINST** or **ABSTAIN** from voting.

Stockholder of Record

You are a stockholder of record if your shares were registered directly in your name with our transfer agent, Computershare, on April 5, 2021, and you can vote shares, change your vote or revoke your proxy before the final vote at the 2021 Meeting in any of the following ways:

	Vote	Change Your Vote	Revoke Your Proxy
Attend the 2021 Meeting virtually and vote during the meeting	✓	✓	
Via mail, by signing and mailing your proxy card to us before the 2021 Meeting	✓		
By telephone or via the Internet, by following the instructions provided in the Notice or your proxy materials	✓	✓	
Submit another properly completed proxy card with a later date		✓	
Send a written notice that you are revoking your proxy to NVIDIA Corporation, 2788 San Tomas Expressway, Santa Clara, California 95051, Attention: Timothy S. Teter, Secretary or via email to shareholdermeeting@nvidia.com			✓

If you do not vote using any of the ways described above, your shares will **not** be voted.

Street Name Holder

If your shares are held through a nominee, such as a bank or broker, as of April 5, 2021, then you are the beneficial owner of shares held in "street name," and you have the right to direct the nominee how to vote those shares for the 2021 Meeting. The nominee should provide you a separate Notice or voting instructions, and you should follow those instructions to tell the nominee how to vote. To vote by attending the 2021 Meeting virtually, you must obtain a valid proxy from your nominee.

If you are a beneficial holder and do not provide voting instructions to your nominee, the nominee will not be authorized to vote your shares on "non-routine" matters, including elections of directors (even if not contested), executive compensation (including any advisory stockholder votes on executive compensation) and amendments of charter documents. This is called a "broker non-vote." However, the nominee can still register your shares as being present at the 2021 Meeting for determining quorum, and the nominee will have discretion to vote for matters considered by the NYSE to be "routine," including the ratification of our independent registered public accounting firm. **Therefore, you MUST give your nominee instructions in order for your vote to be counted on the proposals to elect directors, to conduct an advisory approval of our executive compensation, and to amend our Charter. We strongly encourage you to vote.**

Note that under the rules of the national stock exchanges, any NVIDIA stockholder whose shares are held in street name by a member brokerage firm may revoke a proxy and vote his or her shares at the 2021 Meeting only in accordance with applicable rules and procedures of those exchanges, as employed by the street name holder's brokerage firm.

Vote Count

On each matter to be voted upon, stockholders have one vote for each share of NVIDIA common stock owned as of April 5, 2021. Votes will be counted by the inspector of election as follows:

Proposal Number	Proposal Description	Vote Required for Approval	Effect of Abstentions	Effect of Broker Non-Votes
1	Election of thirteen directors	Directors are elected if they receive more FOR votes than WITHHOLD votes	None	None
2	Advisory approval of our executive compensation	FOR votes from the holders of a majority of shares present and entitled to vote on this matter	Against	None
3	Ratification of the selection of PwC as our independent registered public accounting firm for Fiscal 2022	FOR votes from the holders of a majority of shares present and entitled to vote on this matter	Against	None
4	Approval of an amendment to our Charter to increase the number of authorized shares of common stock from 2 billion shares to 4 billion shares	FOR votes from the holders of a majority of the shares outstanding	Against	Against

If you are a stockholder of record and you return a signed proxy card without marking any selections, your shares will be voted **FOR** each of the nominees listed in Proposal 1 and **FOR** the other proposals. If any other matter is properly presented at the 2021 Meeting, Jen-Hsun Huang or Timothy S. Teter as your proxyholder will vote your shares using his best judgment.

Vote Results

Preliminary voting results will be announced at the 2021 Meeting. Final voting results will be published in a current report on Form 8-K, which will be filed with the SEC by June 9, 2021.

Proxy Materials

As permitted by SEC rules, we are making our proxy materials available to stockholders online at www.nvidia.com/proxy. On or about April 22, 2021, we sent stockholders who own our common stock at the close of business on April 5, 2021 (other than those who previously requested electronic or paper delivery) a Notice containing instructions on how to access our proxy materials, vote via the Internet or by telephone, and elect to receive future proxy materials electronically or in printed form by mail.

If you choose to receive future proxy materials electronically (via www.proxyvote.com for stockholders of record and www.icsdelivery.com/nvda for street name holders), you will receive an email next year with links to the proxy materials and proxy voting site.

SEC rules also permit companies and intermediaries, such as brokers, to satisfy Notice and proxy material delivery requirements for multiple stockholders with the same address by delivering a single Notice or set of proxy materials addressed to those stockholders. We follow this practice, known as “householding,” unless we have received contrary instructions from any stockholder at that address.

If you received more than one Notice or full set of proxy materials, then your shares are either registered in more than one name or are held in different accounts. Please vote the shares covered by each Notice or proxy card. To modify your instructions so that you receive one Notice or proxy card for each account or name, please contact your broker. Your “householding” election will continue until you are notified otherwise or until you revoke your consent.

To make a change regarding the form in which you receive proxy materials (electronically or in print), or to request receipt of a separate set of documents to a household, contact our Investor Relations Department (through our website at www.nvidia.com, with an email to shareholdermeeting@nvidia.com, by phone at (408) 486-2000 or by mail at 2788 San Tomas Expressway, Santa Clara, California 95051).

We will pay the entire cost of soliciting proxies. Our directors and employees may also solicit proxies in person, by telephone, by mail, via the Internet or by other means of communication. Our directors and employees will not be paid any additional compensation for soliciting proxies. We have also retained MacKenzie Partners on an advisory basis for an approximate fee of \$15,000 and they may help us solicit proxies from brokers, bank nominees and other institutional

owners. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

2022 Meeting Stockholder Proposals

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by December 24, 2021 to NVIDIA Corporation, 2788 San Tomas Expressway, Santa Clara, California 95051, Attention: Timothy S. Teter, Secretary or by email to shareholdermeeting@nvidia.com, and must comply with all applicable requirements of Rule 14a-8 promulgated under the Exchange Act. However, if we do not hold our 2022 Meeting between May 4, 2022 and July 3, 2022, then the deadline is a reasonable time before we begin to print and send our proxy materials. If you wish to submit a proposal for consideration at the 2022 Meeting that is not to be included in next year's proxy materials, you must do so in writing following the above instructions not later than the close of business on March 5, 2022, and not earlier than February 3, 2022. We also advise you to review our Bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

Proposal 1—Election of Directors

What am I voting on? Electing the 13 director nominees identified below to hold office until the 2022 Meeting and until his or her successor is elected or appointed.

Vote required: Directors are elected if they receive more **FOR** votes than **WITHHOLD** votes.

Our Board has 13 members. All of our directors have one-year terms and stand for election annually. Our nominees include 12 independent directors, as defined by the rules and regulations of Nasdaq, and one NVIDIA officer: Mr. Huang, who serves as our President and CEO. Each of the nominees listed below, other than Drs. Dabiri and Shah, is currently a director of NVIDIA previously elected by our stockholders.

The Board expects the nominees will be available for election. If a nominee declines or is unable to act as a director, your proxy may be voted for any substitute nominee proposed by the Board or the size of the Board may be reduced.

Recommendation of the Board

The Board recommends that you vote **FOR** the election of each of the following nominees:
