Recent Refreshment, Board Demographics and Nominee Qualifications

Our director nominees exhibit a variety of competencies, professional experience, and backgrounds, and contribute diverse viewpoints and perspectives to our Board. While the Board benefits from the experience and institutional knowledge that our longer-serving directors bring, it has also brought in new perspectives and ideas through the appointment of two new directors since 2020. The Board also regularly rotates committee membership and chairpersons to promote a diversity of viewpoints on the Board committees.

The Board and the NCGC has identified and continue to seek highly qualified women and individuals from underrepresented groups to include in the initial pool of potential director nominees, as discussed below under *Director Qualifications and Nomination of Directors*. The Board's commitment to achieving a diverse and inclusive membership is demonstrated by our director nominees. Three of our directors are women and three are ethnically and/or racially diverse. Our two newest members enhance the Board's gender, ethnic and/or racial diversity. We expect Board diversity to increase before our 2024 Meeting.

Corporate Governance Highlights

Our Board is committed to strong corporate governance to promote the long-term interests of the Company and our stockholders. We seek a collaborative approach to stockholder issues that affect our business and to ensure that our stockholders see our governance and executive pay practices as well-structured. In the Fall of 2022, we contacted our top institutional stockholders, representing an aggregate ownership of 32%, to gain insights into their views on corporate governance, environmental and social practices, and diversity and inclusion.

Highlights of our corporate governance practices include:

- ✓ All Board members independent, except for our CEO
- ✓ Independent Lead Director
- ✓ Proxy access
- ✓ Declassified Board
- ✓ Majority voting for directors
- ✓ Active Board oversight of enterprise risk and risk management
- ✓ 75% or greater attendance by each Board member at meetings of the Board and applicable committees
- ✓ Independent directors frequently meet in executive sessions
- ✓ At least annual Board and committee self assessments
- ✓ Annual stockholder outreach, including Lead Director participation
- ✓ Stock ownership guidelines for our directors and NEOs

Advisory Approval of Executive Compensation for Fiscal 2023 (Proposal 2)

We are asking our stockholders to cast a non-binding vote, also known as “say-on-pay,” to approve our NEOs’ compensation. The Board believes that our compensation policies and practices are effective in achieving our goals of paying for performance; providing competitive pay so that we may attract and retain a high-caliber executive team; aligning our executives’ interests with those of our stockholders to create long-term value; and achieving simplicity and transparency with our compensation program. The Board and our stockholders have approved holding our “say-on-pay” votes annually.

Executive Compensation Highlights

Our executive compensation program is designed to pay for performance. We utilize compensation elements that align our NEOs’ interests with those of our stockholders to create long-term value. Our NEO pay is heavily weighted toward performance-based, “at-risk” variable cash and long-term equity awards that are only earned if the Company achieves pre-established corporate financial metrics, but capped at a maximum of 200% of target (or 150% of target for our CEO’s PSUs). For the last several years, over 90% of our CEO’s, and over 50% of our other NEOs’, target pay has been performance-based and at-risk, and 100% of our CEO’s equity awards have been in the form of PSUs only.

At our 2022 Meeting, approximately 93% of the votes cast approved the compensation paid to our NEOs for Fiscal 2022. After considering this advisory vote and the feedback from our annual stockholder outreach, our CC concluded that our program effectively aligned executive pay with stockholder interests. Therefore, the CC maintained the same elements and metrics for Fiscal 2023 executive compensation, but (i) increased the proportion of “at-risk” target pay, and (ii) set the Threshold performance goals for revenue and Non-GAAP Operating Income above record-level Fiscal 2022 results, both of which further aligned corporate performance and executive pay.

Financial Performance and Link to Executive Pay

As described further in our CD&A, a significant portion of our executive pay opportunities are tied to the achievement of financial measures that drive business value and contribute to our long-term success. The table below shows our goals for the applicable periods that were completed at the end of Fiscal 2023 and their respective impact on our executive pay.

PERFORMANCE GOALS						
	Variable Cash Plan		SY PSUs		MY PSUs	
	Fiscal 2023 Revenue	Payout as a % of Target Opportunity	Fiscal 2023 Non-GAAP Operating Income ⁽¹⁾	Shares Eligible to Vest as a % of Target Opportunity	Fiscal 2021 to 2023 Relative TSR	Shares Eligible to Vest as a % of Target Opportunity

Advisory Approval of the Frequency of Holding a Vote on Executive Compensation (Proposal 3)

We are asking our stockholders to cast a non-binding vote, also known as “say-on-frequency,” to indicate their preference regarding how frequently we should solicit a non-binding advisory vote on the compensation of our NEOs. Accordingly, we are asking stockholders to indicate whether they would prefer an advisory vote every one, two or three years. The Board recommends holding our “say-on-frequency” votes annually.

Ratification of Selection of PwC as our Independent Registered Public Accounting Firm for Fiscal 2024 (Proposal 4)

Although not required, we are asking our stockholders to ratify the AC’s selection of PwC as our independent registered public accounting firm for Fiscal 2024 because we believe it is a matter of good corporate practice. If our stockholders do not ratify the selection, the AC will reconsider the appointment, but may nevertheless retain PwC. Even if the selection is ratified, the AC may select a different independent registered public accounting firm at any time if it determines that such a change would be in the best interests of NVIDIA and our stockholders.

PROXY STATEMENT FOR THE 2023 ANNUAL MEETING OF STOCKHOLDERS - JUNE 22, 2023

Information About the 2023 Meeting

Your proxy is being solicited for use at the 2023 Meeting on behalf of the Board. Our 2023 Meeting will take place virtually on Thursday, June 22, 2023 at 11:00 a.m. Pacific Daylight Time.

Virtual Meeting Philosophy and Benefits

The Board believes that holding the 2023 Meeting in a virtual format invites stockholder participation, while reducing the costs to stockholders and the Company associated with an in-person meeting. This balance allows the 2023 Meeting to remain focused on matters directly relevant to the interests of stockholders in an efficient way. We have designed the virtual format to protect stockholder rights, including by offering multiple opportunities to ask questions, publishing answers to questions received before or during the 2023 Meeting on our Investor Relations website, and providing an archived copy of the webcast after the 2023 Meeting.

Meeting Attendance

If you were an NVIDIA stockholder as of the close of business on the April 24, 2023 record date, or if you hold a valid proxy, you can attend, ask questions during, and vote at our 2023 Meeting at www.virtualshareholdermeeting.com/NVDA2023. Our 2023 Meeting will be held virtually; use the Control Number included on your Notice or printed proxy card to enter. Anyone can also listen to the 2023 Meeting live at www.virtualshareholdermeeting.com/NVDA2023.

If you encounter any difficulties accessing the virtual 2023 Meeting during the check-in or the course of the 2023 Meeting, please call the technical support number available on www.virtualshareholdermeeting.com/NVDA2023.

An archived copy of the webcast will be available at www.nvidia.com/proxy through June 21, 2024. Even if you plan to attend the 2023 Meeting virtually, we recommend that you also vote by proxy as described below so that your vote will be counted if you later decide not to attend.

Asking Questions

We encourage stockholders to submit questions through our pre-meeting forum located at www.proxyvote.com (using the Control Number included on your Notice or printed proxy card) as well as during the 2023 Meeting at www.virtualshareholdermeeting.com/NVDA2023. During the 2023 Meeting, we will answer as many stockholder-submitted questions related to the business of the 2023 Meeting as time permits. As soon as practicable following the 2023 Meeting, we will publish and answer questions received on our Investor Relations website. We intend to group questions and answers by topic and substantially similar questions will be answered only once. To promote fairness to all stockholders and efficient use of the Company's resources, we will respond to one question per stockholder. We reserve the right to exclude questions regarding topics that are not pertinent to company business or are not otherwise suitable for the conduct of the 2023 Meeting.

Quorum and Voting

To hold our 2023 Meeting, we need a majority of the outstanding shares entitled to vote at the close of business on the April 24, 2023 record date, or a quorum, represented at the 2023 Meeting either by attendance virtually or by proxy. On April 24, 2023, there were 2,473,129,295 shares of common stock outstanding and entitled to vote, meaning that 1,236,564,648 shares must be represented at the 2023 Meeting or by proxy to have a quorum. A list of stockholders entitled to vote at the close of business on the record date will be available during the 2023 Meeting at

www.virtualshareholdermeeting.com/NVDA2023 and at our headquarters, 2788 San Tomas Expressway, Santa Clara, California, for 10 days prior to the 2023 Meeting to registered stockholders for any legally valid purpose related to the 2023 Meeting. To schedule an appointment to view the stockholder list during the 10 days prior to the 2023 Meeting, please contact us at shareholdermeeting@nvidia.com.

Your shares will be counted towards the quorum only if you submit a valid proxy or vote at the 2023 Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is not a quorum, a majority of the votes present may adjourn the 2023 Meeting to another date.

For Proposal 1, you may vote **FOR** or **AGAINST** any nominee to the Board, or you may **ABSTAIN** from voting. For Proposal 3, you may vote for **1 YEAR**, **2 YEARS** or **3 YEARS** as the preferred frequency of the advisory vote on executive compensation or you may **ABSTAIN** from voting. For each other matter to be voted on, you may vote **FOR** or **AGAINST** or **ABSTAIN** from voting.

Stockholder of Record

You are a stockholder of record if your shares were registered directly in your name with our transfer agent, Computershare, on April 24, 2023. You can vote shares, change your vote or revoke your proxy before the final vote at the 2023 Meeting in any of the following ways:

	Vote	Change Your Vote	Revoke Your Proxy
Virtually attend and vote at the 2023 Meeting	✓	✓	
Via mail, by signing and mailing your proxy card to us before the 2023 Meeting	✓		
By telephone or online, by following the instructions provided in the Notice or your proxy materials	✓	✓	
Submit another properly completed proxy card with a later date		✓	
Send a written notice that you are revoking your proxy to NVIDIA Corporation, 2788 San Tomas Expressway, Santa Clara, California 95051, Attention: Timothy S. Teter, Secretary or via email to shareholdermeeting@nvidia.com			✓

If you do not vote using any of the ways described above, your shares will **not** be voted.

Street Name Holder

If your shares were held through a nominee, such as a bank or broker, as of April 24, 2023, then you were the beneficial owner of shares held in “street name,” and you have the right to direct the nominee how to vote those shares for the 2023 Meeting. The nominee should provide you a separate Notice or voting instructions, and you should follow those instructions to tell the nominee how to vote. To vote by attending the 2023 Meeting virtually, you must obtain a valid proxy from your nominee.

If you are a beneficial holder and do not provide voting instructions to your nominee, the nominee will not be authorized to vote your shares on “non-routine” matters, including elections of directors (even if not contested), and executive compensation (including any advisory stockholder votes on executive compensation and on the frequency of holding such votes). This is called a “broker non-vote.” However, the nominee can still register your shares as being present at the 2023 Meeting for determining quorum, and the nominee will have discretion to vote for matters considered by the NYSE to be “routine,” including Proposal 4 regarding the ratification of the selection of our independent registered public accounting firm. If you are a beneficial owner and want to ensure that all of the shares you beneficially own are voted in favor or against Proposal 4, you must give your broker or nominee specific instructions to do so or the broker will have discretion to vote on that proposal. **In addition, you MUST give your nominee instructions in order for your vote to be counted on Proposals 1, 2 and 3, as these are “non-discretionary” items. We strongly encourage you to vote.**

Any NVIDIA stockholder whose shares are held in street name by a member brokerage firm may revoke a proxy and vote his or her shares at the 2023 Meeting only in accordance with applicable rules and procedures of the national stock exchanges, as employed by the street name holder’s brokerage firm.
